Cook, who recently removed we wish our friends great success. We to Graham county, writes us, "I have a

quote, as it gives much which is sugges-"I have decided to start a newspaper at Murphy, and through it get the people abroad aroused as to the many advantages this mountain region of country possesses over any other. All things considered, this will be my first object. Next, to arouse our own people to that economy and pride which will induce them to cultivate their farms better, build better houses for themselves and barns for their stock. Next, to work the roads better, so that when strangers come into the country they can travel the roads better, so that when strangers come into the country they can travel over it comfortably and see what a grand one it is. My next object will be to induce capitalists to purchase the rich mines in this one of the finest mineral regions of the south, and erect manufacturing establishments which will convert the raw material into articles of commerce and be the means of bringing in an industrious population of scientific men and mechanics.

Next to persuade the people to divide

office, and the office of the clerk of the Federal Court, and the flag on the court-house tower was dropped to half mast. The same respect was paid at the Swannanoa and Eagle, and no doubt at other places not coming under our observamen and mechanics.

Next, to persuade the people to divide their farms into smaller tracts, and thereby induce good farmers, with limited means to settle among us. (It is a well known fact that a few acres of land well cultivated will produce more than ten times the amount cultivated in the usual Col. H. M. Black, of the 23d U. S. Infantry reached the city yesterday evening, and is stopping at the Swannanoa. He comes inder the direction of Adjutant-General Drum, U. S. Army, to inspect the State Guard. In company with Adjutant-General Jones Col. Black went to the
